of the City and will generate service needs substantially
similar to that of other incorporated urban areas which

result in improved economics of scale in government
operations while improving coordination in the delivery of
planning services;

will benefit from the proposed reorganization as a result
of savings to the County by reduction of County required
services in unincorporated but urban oriented area;

Lodi is geographically, socially, economically and

politically part of the same urban area of which the City of Lodi is also a part;

- (5) The subject area is within the Lodi Sphere of Influence;
- (7) Future inhabitants in the subject area will gain immediate response in regard to police and fire protection, unlimited City garbage and trash collection service, street lighting service, a modern sewer system, other municipal services, and improvement of property values;

NOW, THEREFORE, BE IT RESOLVED by the Lodi City Council that the San Joaquin County Local Agency Formation Commission is hereby requested to approve the proposed "Sproul Addition" which includes annexation of a combined 19.8 acres more or less, and detachment from Mokelumne Rural County Fire District, the Northern San Joaquin Water Conservation District, and the San Joaquin County Resource Conservation District, as described in Exhibit A attached hereto.
